

THE ARCHBISHOP'S SEMINARY POLICIES

Section 1 – Aims of the School

Version 19.9

1 Aims of the School

1. Promoting a learning community, where all those involved live joyous, faith-filled lives which call others to witness to Christ.
2. Fostering the development of self-motivated, generous, responsible students.
3. Providing an engaged pedagogy, focused on the needs of the students, which encourages a serious pursuit of learning and achievement.
4. Promoting the on-going formation of teachers, staff and parents.
5. Promoting an orderly learning environment through self-discipline and respect for others.
6. Promoting cultural and educational activities leading to aesthetic appreciation and future career orientation.
7. Offering possibilities for social involvement in the spirit of service to others.
8. Guiding the students in choosing a path in life.
9. Promoting activities which lead to physical well-being.
10. Promoting resources and a good physical environment.
11. Promoting inclusive education.
12. Enhancing parental participation in the life of the school and promoting the parents' involvement in the education of their children.
13. Establishing links with the wider community, both on the national and international level.
