To Whom It May Concern

This is to certify that I have carried out a Covid-19 Risk Assessment at The Archbishop's Seminary (Primary and Secondary School) Tal-Virtu, Rabat Malta, on Monday 5th October 2020, in the presence of Fr. Mark Ellul (Headmaster), Mr. Claudio Farrugia (CEO) and members of the school administration team, along with a number of teachers from various disciplines.

The school was found to be fully compliant with the protocols and Guidelines regarding the reopening of schools in Malta, as issued by the Department of Education, the Office of the Deputy Prime Minister Ministry for Health and the Office of the Superintendent of Public Health. All the necessary mitigation measures have been taken to prevent the spread of Covid-19 in this school.
